Dear Friends & Families,
Dear Parents,

Thank you for registering your child for the DISV Summer Camp 2023.

We look forward to four weeks of fun & excitement in Vienna!

Our program consists of many fun and educational activities in Vienna and takes place both in the Danube International School Vienna building and the surrounding sports fields, as well as at exciting locations around Vienna.

A lunch break in our school canteen - where official hygiene regulations are not only met but surpassed - will ensure that children have sufficient energy and rest for exciting afternoons filled with trips and sport activities.

Find below our program for each age group.

We hope to see you in the summer to enjoy weeks of fun and adventure with us!

Program Week 1  
26th – 30th June  
Theme: Art & Nature

We learn how to draw animals and flowers with renowned artist Walter Wegger, discovering the beauty and aesthetic of nature (4 day Art Course in the mornings).

### Program Week 3

**10th – 14th July:**

**Theme: Engineering & Science**

We visit labs and learn playfully about engineering/robotics, trying to understand how the world around us works in detail on a scientific level.

### Program Week 4

**17th – 21st July:**

**Theme: Engineering Part 2 & Summer Fun**

While we will work with Engineering for Kids on a new theme (children who already joined us last week will see an exciting new approach to engineering, new children can join in any week), we will take the time to enjoy the summer in the city without any stress. We expect a sunny week!
